The roomier interior of the Wanderlodge LX offers even more of the luxury you've come to expect from Blue Bird, with its exquisite attention to detail, unequalled craftsmanship, premium quality materials, and infinite list of special amenities. The addition of two slide-out rooms in the living room/galley and/or bedroom creates up to 200 additional cubic feet of living space, while three additional inches of headroom further enhances the vehicle's spacious feel. If it's the ultimate in luxury you seek, then we've left no room for doubt.
