

THE BLUE BIRD **WANDERLODGE LXi**

THE BLUE BIRD **WANDERLODGE LXi**

LIFE BEGINS AT 65 MPH.

You've waited a lifetime for this moment. The chance to explore America and live the fantasy. And for you, only one motorcoach will do: the Wanderlodge LXi by Blue Bird. A vehicle that redefines the concept of luxury, and rewards your discerning taste. There simply is no better way to start your journey.

LXi

THE BLUE BIRD WANDERLODGE LXi

IT'S TIME TO EXPAND YOUR HORIZONS.

Slide-out rooms at the front and rear of the LXi create generous living space inside.

THE BLUE BIRD WANDERLODGE LXi

Having already filled our motorcoaches with every conceivable luxury, we at Blue Bird considered how to widen our appeal. The answer was quite moving indeed: the Wanderlodge LXi's unique slide-out feature. With the vehicle at rest, the walls in both the living room/galley and bedroom expand to provide an additional 200 cubic feet of living space. Luxury, after all, needs plenty of room to breath.

ULTIMATE LUXURY: DISCOVER THE INSIDE STORY.

LXi slide-out interior with dual couch living area.

You've always insisted on surrounding yourself with the very best. So isn't it nice to know that one motorcoach meets your exacting standards? That's the story inside each and every Wanderlodge LXi. Blue Bird has designed a vehicle of impeccable quality, a living environment that rivals the finest homes without wheels.

LXi slide-out interior with couch/credenza living area.

Every Wanderlodge LXi can be customized with the finest leather seating, in a wide variety of colors to suit your particular taste.

QUALITY STARTS WITH THE FINISHING TOUCHES.

LXi bedroom with queen size bed and mirrored walk-in closet.

No other vehicle offers the breadth of amenities or the quality of material you'll find on board a Wanderlodge LXi. Blue Bird employs the industry's most experienced collection of designers, artisans, and craftsman to create the rich surroundings of this magnificent vehicle, from the hand-made cabinetry and in-laid carpeting to the state-of-the-art components that put every convenience at your fingertips. It's an amazing experience from start to finish.
